## Rides Freight; Broke Collar Bone

Karl W. Sloan met with a serious accident jumping off a freight train Saturday afternoon, resulting in a broken collar bone.

About 4:45 p. m. Saturday, Mr. Sloan left the office of the Solomon-Wickersham Co. with letters to mail on the Globe train. A freight train was passing slowly in the direction of the depot and Mr. Sloan secured a safe hold on the hand bars of one of the cars, intending to alight when the car came opposite the depot.

The freight gathered momentum as it neared the depot and the speed increased so fast that Mr. Sloan was carried beyond the depot. When opposite the Standard Oil Company's station, he jumped, striking the ground on his right shoulder and side, breaking the right collar bone and severely bruising his right arm and side.

Mr. Sloan immediately went to Dr. Stratton's office and the doctor set the broken collar bone.

Karl is now carrying his arm in a sling and says he will not ride on freight trains hereafter.

## Bootlegger Is Fined \$75.00

## Check Raisers Lodged in Jail

Constable O. B. Lancaster arrested Wednesday morning two Mexicans, named Alberto Sanchez and Andres Peres on a charge of check raising.

Sanchez had received a check from Paul Beebe, Tuesday, drawn by his son, William, for \$4.50. The check was raised to \$14.50 and the men went to Krupp's Clothing Store and purchased about \$10.00 worth of clothing, etc., presented the check and received the balance in cash.

When Mr. Krupp tried to cash the check at the Gila Valley Bank it was turned down by Assistant Cashier Ellsworth, who declared the amount had been raised from \$4.50 to \$14.50. A warrant was secured and both men were arrested.

Sanchez and Peres were brought before Justice Paxton yesterday morning and after hearing the evidence, the justice held them for trial in the Superior Court. Both men were lodged in the Solomonville jail.

## OBITUARY

A very sad death occurred Sunday shortly before noon, when Mrs. Trim Pollock died of child birth. She was with her parents, Mr. and Mrs. Don P. Cole. Dr. Platt was in attendance and she had every possible care, but at the birth of her baby, went into convulsions and died in half an hour, though every possible effort was made to save her life. She leaves a husband and five children.

The new born babe is in fine health and is being cared for by Mrs. J. C. Wardlaw.

Funeral services were held at the church Monday afternoon. The Thatcher choir furnished appropriate singing. The house was nicely decorated for the occasion. The speakers were: Mr. Geans, Frank McBride and Bishop Peck, of Bryce, and President Kimball. All bore testimony of her true worth and faithful motherhood.

## Rates Reduced for Gila Valley

Permission for the Arizona Eastern Railroad Company to reduce the rate on whole wheat and barley between Fort Thomas and Tucson has been granted by the State Corporation Commission. The rate drops from 30 to 23 cents per 100 pounds on carload shipments, the minimum being 50,000 pounds.

This new rate is published in order to allow the grain growers of the Gila valley, who have an unusually heavy crop this year, to ship their wheat and barley to Tucson for storage.
